

ELECTION OF THE BOARD OF DIRECTORS- The Board of Directors is the governing body of the GSA Federal Credit Union and consists of nine members. The term of a director is three years with three positions coming up for election each year.

According to the bylaws of the credit union, the Chair of the Board of Directors appoints a nominating committee which is charged with naming at least one nominee for each vacancy. In addition, a member of the Credit Union may be nominated by petition. A valid petition must contain the signatures and account numbers of at least 59 members in good standing with the Credit Union and must be delivered to the Secretary of the Board of Directors at the Credit Union Administrative offices no later than May 27, 2011. Any petition for nomination should be accompanied by a statement by the nominee of his or her willingness to serve on the Board of Directors and a brief biography outlining his or her qualifications to serve as director. Nominees must be at least 18 years of age.

In the event that there are more than three nominees, a mail ballot will be conducted and the results announced at the annual meeting. If there is only one nominee for each position there will be no election by ballot and the nominees will fill the position for which they were nominated.
