

You can do **better** than
the dealer's 0% financing!

**Believe it or not . . . paying a higher
rate could save you money**

Zero percent financing may look like the best deal at first glance, but don't be fooled. No matter what repayment term you choose, you're better off taking the rebate and getting GSA FCU financing. See for yourself:

	Dealer Loan	Credit Union Loan
Manufacturer's suggested retail price	\$20,000	\$20,000
Dealer's rebate applied to down payment	\$0	\$2,000
Amount financed	\$20,000	\$18,000
Interest rate	0%	1.99% APR*
Term	60 months	60 months
Monthly payment	\$333.33	\$314.44
Total Savings		\$1,073.40

*APR = Annual Percentage Rate. Rate as of 9/1/15. Rates are subject to change without notice. Rates based on credit worthiness. Your rate may differ. Other rates and terms are available.
